Mexico. February 19, 2024.

Dear SKIF America Family:

The Hotel Information Bulletin is attached, with the following recommended options:

- Holiday Inn Querétaro Zona Diamante.
- Real de Minas Traditional.
- Gran Hotel Querétaro.
- Hotel Hidalgo.
- Hotel Madero.

**These five options are not limiting, since you can search for another hotel.*

Each delegation or group must make their reservations directly with the hotel of their choice, since the bulletin is merely informative. Therefore, you are free to contact and negotiate directly with the hotel of your convenience.

The above avoids the commitment to a single host hotel to provide, in a solidarity manner, economic flexibility to the different participating groups.

To facilitate knowing all the details of the hotel, such as contact information, photographs and location, links to the web pages of each of the hotels are included.

With the pleasure of being able to serve you,

Gabriel Garcia
Event Director
